- W Gravfält
- OC house SW Fribacken  
W Grän
- OC ancient monument N Grän  
rj W Vilan
- TC11 N Vilan (*endcontrol of the stage*)

*This is a sample stage of an Swedish Auto Navigation / Road rally.*

*Three mapsnippets on this stage, a start- and a goal-Timecontrol (TC), eight orienteeringcontrol's (OC), one also get's a pass thru control (PT) at the instruction of W Grän – that's a smaller road going around in front of the house.*

*A pass thru control can occur at any given order that's not an time-control or given orienteeringcontrol.*

- opp. the orienteeringcontrol is opposite (of the given map sign, like a house, a road etc.)*
- TC time control*
- OC orienteering control (at the given map sign)*
- NW get to the point on the closest road North West of (the name on the map).*
- rj road junction*
- North is ofcourse always upwards on maps.*
